---

In the name of Allah the Gracious the Merciful

Thank Allah and blessings and peace be on the most honorable of the prophets and messengers  
our Prophet Muhammad and on His family and all [UI]

Then

Now then [UI]

From Ans Bin Malik may Allah be pleased with him said: The Messenger of Allah Allah's  
blessing and peace be upon Him said: ( A morning journey for the sake of Allah, or an evening  
one is better than the world and what is in it)

It has been narrated on the authority of Abu Huraira may Allah be pleased with him that the  
Messenger of Allah may peace be upon him said: {Allah has undertaken to look after the affairs  
of one who goes out to fight in His way believing in Him and affirming the truth of His Apostles.

He is committed to His care that He will either admit him to Paradise or bring him back to his  
home from where he set out with a reward or his share of booty. By the Being in Whose Hand is  
the life of Muhammad: if a person gets wounded in the way of Allah, he will come on the Day of

Judgement with his wound in the same condition as it was when it was first inflicted; its color  
being the color of blood but its smell will be the smell of musk. By the Being in Whose Hand is  
Muhammad's life, if it were not to be too hard upon the Muslims, I would not lag behind any

expedition which is going to fight in the cause of Allah. But I do not have abundant means to  
provide them (the Mujahids) with riding beasts, nor have they (i.e. all of them) abundant means  
(to provide themselves with all the means of jihad) so that they could be left behind. By the  
Being in Whose Hand is Muhammad's life, I love to fight in the way of Allah and be killed, to

fight and again be killed and to fight again and be killed.

)

Praise Allah there is no Allah [sic] but Allah Muhammad is Allah's Messenger

I ask forgiveness of Allah Lord of the great throne

My dear brother Rafiq the last meeting was very beautiful so we already discussed and saw strategic places possessing good money and but I was already waiting for counsel from you first and the brother Hussein and Allah willing I will be the executor with the brother Hussein and but till now I [sic] know what kind of arsenal we will get I do not want to go deep in my talk for the the security reasons

And but I am enthusiastic Allah willing so what I like is to be in the service of Allah be He exalted and that I be with brothers [UI] His obedience like you Allah willing after the success of the operations

I indeed ask you for your counsel and your expertise with the brothers and who is with you I already await your opinion Allah willing and we see what is appropriate  
We must be endowed with the patience and the accuracy and the disguising and the perfection in the work because the safety of the operation is of the most important works before executing it  
And the success Allah Willing

Thank Allah my health is as desired and all the conditions are good and safe I thank you for your initiation of the question I hope [UI] that you all are with optimism

And a good health and safety from Allah and that you pray [UI] for us for success from here  
Peace and Allah's mercy and [UI] be on you

Al-Ayyubi
